

SoundWaters Membership

SoundWaters is a non-profit, membership organization whose mission is to educate children and adults about the wonder and beauty of Long Island Sound and its watershed. SoundWaters offers innovative science and environmental programs aboard the schooner SoundWaters, at the SoundWaters Community Center for Environmental Education and at schools, field sites and community organizations throughout our region. SoundWaters programs enhance understanding of the world around us, instill a love of learning and encourage personal responsibility. Each year, SoundWaters educational programming reaches nearly 40,000 children and adults.

SoundWaters invites you to join as a member, participate in our numerous and varied programs, and by doing so, assist in the fulfillment of the SoundWaters mission.
